

You are cordially invited to attend the 7th SAWE Canada Chapter Technical Conference!

When: Saturday, October 4, 2014

(9:00 am – 6:00 pm)

Where: Robert Sutherland Hall at
Queens University

Kingston, Ontario

The Canada Chapter has identified this conference as a prime opportunity for all members to improve their knowledge and understanding of the various disciplines within the realm of mass properties engineering. Since there are no formal courses available for weights engineering, this technical session has evolved as an alternative means to acquire and share best practices in the field of weights.

ACCOMMODATION

The *Holiday Inn Kingston Waterfront* is in the heart of Kingston, walking distance from Kingston City Hall and Rogers K-Rock Centre. This eco-friendly hotel is within close proximity of St. George's Cathedral and The Grand Theatre.

Special rate: \$100 / night (standard room) + taxes
Parking: \$14 / day + taxes
Address: 2 Princess St, Kingston, ON, K7L1A2
Booking: Call 1-866-460-7456 and quote "Bombardier rate"
Book before September 5
Website: www.hikingstonwaterfront.com

REGISTRATION

Fee: \$75
Payable to: "SAWE Canada Chapter"

Paid at the conference by cash or cheque.
Receipts will be provided.

Please note that this cost includes all meals on Saturday (breakfast, lunch, morning and afternoon snacks) and will also cover the cost of our meeting facilities at Queens University.

Conference attendance confirmation is required by August 18, 2014.

To confirm attendance, please respond to:

Robert Hargrave (robert.hargrave@aero.bombardier.com) or
Carmine Gigliotti (carmine.gigliotti@aero.bombardier.com)

CALL FOR PAPERS

The agenda for this event is still being planned, and is pending the inclusion of submitted technical papers and/or presentations.

Would you like to present a topic at the conference?

Submit: Title and abstract to any executive member

Deadline: Aug.29, 2014

The executive will review all submissions and provide feedback by Sep. 5, 2014.

As an additional incentive, if your paper/presentation is accepted, we will credit your membership account by \$25 toward your next membership renewal fee.

Also, if there is an existing paper or presentation that you would like presented, please let us know by August 29 so that we can review and decide on who can present or mediate a discussion on that topic.
