1. All registrations conducted after **April 20, 2018**, will incur a **\$50 Late Charge** over and above the listed fees. We therefore encourage all parties to pre-register **prior** to this date, even if your company has not yet authorized your attendance or you know you will be paying your fees upon arrival at the conference instead of at the time of registration. There is no charge to cancel a registration.

2. All qualifying registered attendees will be granted access to all SAWE papers presented at the conference by means of a password and link to allow access to them electronically. The links will be forwarded to the attendance list shortly after the conference. As a benefit of SAWE membership, members have access to conference papers from previous conferences.
